General Rules and Regulations.

On Saturday, 3rd Oct., and Monday 5th Oct., the grounds and buildings will be open to Exhibitors and their assistants only, from 8 a. m. till 6 p. m. These are preparation days and all exhibits must be in their place and ready for exhibition by 8 a. m. on Tuesday 6th October.

The Exhibition will be open to the public on Tuesday, 6th October, at 8 a. m., and will continue open each day from 8 a. m. till 6 p. m., on Thursday. No removals will under any circumstances be allowed until after the close of the Exhibition, except in the case of live stock, which may be removed after 5 p. m. on Thursday.

The formal opening will take place at 2 p. m. on Tuesday, 6th October. A large number of special attractions in addition to the regular Exhibition, will be provided for the enjoyment of visitors of which due notice will be given.

A first class band of music will be in attendance each day.

Intending Exhibitors and visitors are particularly requested to read carefully and consider the following rules and regulations governing the Exhibition, which will in all cases be strictly enforced.

A catalogue of the exhibits of live stock will be published if practicable. Exhibitors will please make their entries as early as possible in order to facilitate its publication.

ADMISSION TO THE GROUNDS.

The price of admission for adults or two children under 12 years, will be 25 cents each time of entering. One child under 12, 15 cents. Each person must be provided with the proper change before entering. For a carriage, 25 cents, and each person in carriage 25 cents.

Necessary attendants upon stock and machinery will be furnished with special passes by applying at the Secretary's office on the grounds. These passes will bear the name of person to whom it is issued, and if presented by any other person will be forfeited. They will admit the holder once each day.

No attendant's tickets will be issued to any exhibitor whose entrance fee amounts to less than one dollar, but such exhibitor will purchase an "exhibitor's" ticket. One exhibitor's ticket, admitting an exhibitor once each day, and positively not transferable, may be purchased at the Secretary's office on the grounds for 50 cents.

Exhibitors (who are members of Local Societies who have made arrangements with the Association,) will receive free, a special pass by applying at the Secretary's office on the grounds. These passes will

bear the name of the person to whom issued, and are positively not transferable.

Judges and members of the press will be furnished with tickets and badges, the latter being intended only as a means of showing their official connection with the Exhibition, and not for the purpose of securing admittance upon the grounds.

The entry tickets upon the animals or articles will admit the person bringing them to the Show Grounds for exhibition, along with such animals or articles, without the use of any other ticket. *Afterwards such parties must be provided with proper passes as above or they will have to pay the regular admission fees.*

ENTRIES.

All entries must be on printed forms, which may be obtained free of charge by applying to the Secretary. These forms are to be filled up and signed by the exhibitor and sent to the Secretary at Sherbrooke on or before Friday 25th for live stock, and for other exhibits on or before WEDNESDAY, 30th SEPTEMBER. Post entries will be received up to Saturday, 3rd October, on which 25 cents extra will be charged for each entry. But post entries of live stock will not have the benefit of the catalogue, if published. The entrance fee must in all cases be forwarded with the entry. No entry will be accepted unless this is done. Fees should be sent by money order or in Bills in Registered Letters.

Entries of Live Stock and Poultry, must in every instance be made in the name of the *bona fide* owner, and unless this rule be observed no premium will be awarded, or if awarded will be withheld. Any person exhibiting any animal or bird of which he is not the *bona fide* owner, will be precluded from exhibiting in future.

Other classes must be made in name of producers or manufacturers or their duly authorized agents. Agents will be required, if so desired to produce this authority in writing.

On the entry of each animal or article, a card will be furnished the exhibitor, specifying the class, the section, and the number of the entry, *which card must remain attached to the animal or article during the Exhibition.*

In all cases the right is reserved to reject entirely or accept conditionally any entry or application.

As horses possessing no merit whatever and not worthy of exhibition, are in some cases entered merely to secure stabling, the Directors, when any case of this sort is reported to them, will at once order the animals so entered, out of the grounds and the entry money paid for such animals shall be forfeited.

DELIVERY OF ARTICLES AND CHARGE OF SAME WHILE ON EXHIBITION.

All exhibits must be on the grounds not later than 9 a.m. on Tuesday, 6th October. All boxes, wrappings and other packing material, must be cleared away by the exhibitors and everything be in proper order by 9 o'clock, 6th October. Exhibitors must provide for the delivery of their articles upon the Exhibition Grounds. The Association cannot, in any case, make provision for their transportation, or be subjected to any expense therefor either on their delivery at or return from the grounds. Exhibitors, on arriving with their articles, will apply at the Secretary's office, when they will be informed where the articles are to be placed.

Exhibitors, will at all times, give the necessary personal attention to whatsoever they may have on exhibition, and at the close take entire charge of the same.

The Judges duties will commence at 10 a.m. on Tuesday, 6th October, and articles not then placed will be placed over. Exhibitors will therefore govern themselves accordingly.

Though the Association will take all reasonable precautions to ensure the safety of all exhibits sent to the Exhibition, yet they wish it to be distinctly understood, that the owners themselves must take the risk of exhibiting them; and that should any exhibits be accidentally injured, lost or stolen, the Association will give all the assistance in their power towards the recovery of the same, *but will not make any payment* for the value thereof.

LIVE STOCK.

Good buildings are provided upon the grounds for all Live Stock. Straw for bedding, and water will be provided for horses, cattle, sheep and pigs, *without charge*, from Monday, 5th October, to Thursday, 8th October, so that the stock may be taken to the grounds immediately on their arrival. Hay and grain will be for sale on the grounds at lowest prices. Exhibitors will please report at once if unreasonable prices are exacted.

The production of any of the animals in the ring may be ordered by the Directors for review purposes at any time during the Exhibition, and any exhibitor or attendant refusing to bring such animals into the ring, when so required, shall forfeit any premiums which may have been awarded him.

RAILWAYS AND CUSTOMS.

Favorable arrangements have been made with all the Railroad Companies for the conveyance of passengers and articles to and from the Exhibition at greatly reduced rates and special excursions from all parts of the Dominion and New England States, will be run during the Exhibition.

Arrangements have also been made with the Customs Department for the admission of exhibits from the United States free of duty on giving the customary bond.

PAYMENT OF PRIZES.

The Secretary-Treasurer will be prepared to commence paying the premiums at his office on the grounds for all classes of exhibits, on Thursday, 8th October, at 1 p.m.

Parties who may have prizes awarded are requested to apply for them before leaving Sherbrooke, or leave a written order with some person to receive them, stating the amount and the articles on which prizes are claimed. Premiums not applied for as above, will be forwarded by the Secretary-Treasurer on receipt of proper instructions.

All persons to whom a prize is awarded must apply to the Secretary-Treasurer of the Association for payment thereof, on or before 31st day of December, 1885, or such prize will be forfeited.

JUDGES.

The Judges will be appointed by the Board of Directors previous to the Exhibition, and will receive a circular informing them of the fact

and asking them to act. No person will be allowed to act as a Judge who is in any way interested in the articles to be exhibited. Judges are requested to report themselves at the Secretary's office on the grounds, presenting their circular of appointment, not later than 9 a.m. on Tuesday, 6th October.

In the absence of competition in any section, or if the stocks or articles exhibited, be of inferior quality, the Judges will award only such premiums as they think the articles deserving of. They will exercise their discretion as to whether they will award the first, second, third, or any premium.

In addition to the stated premiums offered for exhibits enumerated in the List, the Judges are authorized to award discretionary premiums for such exhibits not enumerated, as they may consider worthy, and the Board of Directors will determine the amount of the premium. The Judges may also distinguish such animals or articles as they consider deserving of notice, but which have not received prizes, by tickets with the words "Highly Commended," or "Commended" upon them. These tickets will not entitle the holder to any money payment.

Each award must be written in a plain, careful manner, on the blank page opposite the number of the entry.

Any exhibitor lodging a protest must make it *in writing* and it must be delivered to the Secretary *within three hours* of the cause of protest; it must plainly state the cause of complaint and must be accompanied by a deposit of \$5.00, which sum will be forfeited to the Association if the said protest is not sustained. The Executive Committee will form the "Committee on Protests," and their decision shall be final.

The Judges are particularly requested not to leave the grounds until they have ascertained from the Secretary that there are no protests against the awards in the classes they have judged.

Any person who shall attempt to interfere with the Judges while in the discharge of their duties, or who shall afterwards, on the premises of the Association, use any contemptuous or abusive language to any Judge in consequence of any award made by him, shall forfeit his right to any premiums to which he might otherwise be entitled and shall be excluded from exhibiting hereafter. Judges are requested to immediately report any breach of this rule.

MISCELLANEOUS.

Where space has been awarded to any exhibitor, the Directors reserve the right in case any such exhibitor shall fail to make a creditable display, to declare the space allotted to him forfeited.

No person shall be permitted in the ring during the time of judging,

except the Judges, the grooms or persons in charge of the animals, and the Committee in charge of the special class being judged.

All prize cards which have been affixed by the Judges must be displayed during the Exhibition. Any infraction of this rule will incur forfeiture of premiums which have been awarded.

The contractors for the supply of refreshments must lay in their supplies before 8 o'clock a.m., each day, when their carts will be admitted free, after that hour they will be charged full admission rates.

The Directors of the Association have the power, by their Act of Incorporation, to enforce these rules and to prohibit all kinds of gambling, etc., also to regulate or prevent the huckstering, or trafficking in fruits, goods, wares, or merchandise, on the Exhibition Grounds, and any person, who after due notice, of such rules, violate the same, shall be liable to be removed from the grounds by the officers of the Association.

FIRE AND POLICE PROTECTION.

The most careful arrangements have been made to guard against fire, and with the precautions taken, it is believed the danger of such an occurrence is very remote, but exhibitors desiring insurance, must give the matter their personal attention.

An ample police force will be on duty, day and night, during the Exhibition, but exhibitors are expected to exercise constant supervision over their articles on exhibition, as the Association will not be responsible for loss or damage by theft, fire or otherwise.

AUCTION SALES OF CATTLE, ETC.

A sale of all kinds of stock, manufactures, etc., will be held on Friday, 10th October at 10 a.m., at which the Directors will afford every facility to buyers and sellers. Stock, etc., not on exhibition may be brought into the grounds the morning of the sale.

10 cents admission will be charged at the gate.

The following scale of fees will be charged to cover auctioneers expenses, Government duty of 1 per cent., paid by purchaser.

For Horses.....	50c. per head
Thoroughbred Cattle.....	50c. " "
Grade Cattle.....	25c. " "
Pigs and Sheep.....	10c. " "
Other Articles.....	25c.

Entries to be made at the Secretary's office on the grounds not later than Thursday, 8th October, at 4 p.m., and in all cases must be accompanied with the fees.

INQUIRIES

As to the exhibition and its arrangements should be addressed to the Secretary-Treasurer, at Sherbrooke. During the Exhibition, inquiries may be made at the office on the grounds.

THE PRESS.

Members of the press are cordially invited to the Exhibition. Ample accommodation will be provided for them, and all necessary information will be promptly furnished. Editors are requested to notify the Secretary previous to the Exhibition, of the number of representatives they will have on duty, in order that tickets may be forwarded.

POST OFFICE, ETC.

For the convenience of exhibitors and visitors, a post office will be established on the grounds, at which mails will be received and dispatched twice daily. Letters should be addressed, care of the Secretary. The grounds are connected with the City of Sherbrooke and other places by Telephone.

VISITORS.

Visitors may be assured of finding on the grounds everything necessary to the convenience and comfort of old and young, during the entire day. Ample restaurants managed by experienced caterers and under the supervision of the Directors, will serve meals and refreshments during the hours of exhibition at reasonable rates. No intoxicating liquors will be allowed upon the grounds. A baggage room for the deposit of satchels, cloaks, etc., and in charge of responsible parties, is conveniently located for the accommodation of visitors, for which a small fee will be charged. The hotels of the city, ample for any occasion, will adhere to their regular rates, and the city authorities will co-operate with the Directors of the Association in every practicable manner to ensure the safety and contribute to the pleasure of visitors.
